Zoom Meetings Guidelines 'virtual' courses

For online classes the Zoom app is used. You're required to have an internet connection that enables you to participate fully, having your video and audio stream on.

General Guidelines:

- **Be well on time** please for the meeting.
- When you enter the meeting, you will first be in a **waiting room**. A half hour before class starts, the meeting room will be opened.
- Your Zoom 'participant name' should be your **actual first name and last name**. Don't use a code or something like 'iPad of'. Enter this before entering the meeting, or change it by using the Rename option [in the three dots section next to your name].
- When you're two or more participants on **separate devices** in the same room, only one of you can have your audio on. Others in the vicinity, **stay muted** at all times during the meeting, to prevent an echo feedback loop.
- **Open the chat**, during the meeting, so you will see any message directed to you personally during the meeting. Do not use the chat for any questions or remarks not directly related to class.
- Your **video-stream needs to be always on** during class times, so that Anthony can see you.

- It's **not allowed to record** the audio or video of the class. Some exercises will be recorded and shared with you for private use after class.
- Please **use a laptop or desktop computer** for your Zoom trainings. We advise against using a smartphone or tablet as your device to join the Zoom meeting. With those, you can't get a good gallery view of the class, it's impossible to download files we put in the chat for you, and it's harder to read the chat in combination with being fully engaged in the meeting. Also, for some devices, it's not possible to charge them and be connected at the same time. If it's not possible for you to use a larger device such a laptop or desktop computer, please make sure you know your device well enough to handle it in class, and that you're well aware of the downsides of using a smaller device.

When up and running:

- You can use Gallery View to see a mosaic of all participants, or use Speaker View to see the person speaking. To only see Anthony, move your cursor to his video, and click on **Pin Video**. You can later Unpin Video at any time.
- Your **sound will be muted** during transmissions. Your sound can be unmuted during breaks or when indicated.
- **Do not leave the Zoom meeting during breaks.** Instead you can choose to turn off your video and sound.
- At break times in class, Anthony is available to answer **Private questions**, as he would be in in-person classes. To join the Question line for these private questions you can send a private chat message to the host and ask to be added to the queue. The host will let you know via chat during which break you can talk to Anthony. There will be a limited number of places in the Queue available, every break. When break time starts, Private video chat rooms will be created, called Break Out Rooms, for students on the Question line. You will receive a message from Zoom asking you to join that Breakout room. Please use your discernment in asking questions, and consider the other students in line.
- Sometime early on in the class, you will be asked to **type in your phone number** [with country code], and send that as a private chat message to the host of the meeting. This is so the host can reach you when needed during the days of class. No need to type in your number until asked to do so.

VortexHealing® Betalingsvoorwaarden* [Versie van 25 april '19]

Vroegboek-kortingen:

Deze gelden wanneer de aanbetaling tenminste één maand voor aanvang van de training is ontvangen. De kortingen zijn:
\$50 / €40 / £30 voor trainingen van 4-7 dagen;
\$30 / €25 / £20 voor kortere trainingen;

Aanbetalingen:

Minstens \$300 / €250 / £150 voor trainingen van 4-12 dagen;

Voor trainingen van één, twee of drie dagen: betaling van de volledige cursussom is vereist, direct na bevestiging van registratie door de organisator. De helft hiervan wordt beschouwd als aanbetaling, de helft als restbetaling.

Restbetalingen:

Deze dienen uiterlijk de eerste ochtend van de training contant en in gepast geld te worden voldaan. Bij later betalen geldt een extra betalingsverplichting van \$15 / 15 EU / £10.

Terugboeking van aanbetalingen:

Administratiekosten bedragen \$30 / €25 / £20. Alle 'restsom'-betalingen, betalingen groter dan de vereiste aanbetalingen, zijn terugvorderbaar.

Voor terugboeking van de aanbetaling geldt:

Bij een aanvraag tot terugboeking minstens een maand voor aanvang van de trainingen wordt de gehele aanbetaling teruggeboekt, met inhouding van de administratiekosten.

Bij een aanvraag tot terugboeking tussen vier en twee weken voor aanvang van de training wordt de helft van de aanbetaling teruggeboekt, met inhouding van de administratiekosten.

Bij een aanvraag tot terugboeking binnen twee weken voor de training geldt dat de aanbetaling niet terug te vorderen is.

Wanneer een training is gestart, zijn aanbetaling noch restbetaling terug te vorderen.

Aankomst en vertrek:

Bij te laat arriveren in de cursus op de eerste dag heeft de docent het recht de toegang tot de cursus te ontzeggen en de student als 'niet verschenen' te beschouwen. De reden hiervoor is voornamelijk dat deze persoon niet in het energetisch proces van de cursus is kunnen starten, waardoor vervolg zinloos is.

Bij vroegtijdig vertrek uit een cursus heeft een student geen recht op terugbetalingen. Eventueel vroegtijdig vertrek dient ten alle tijden met de docent overlegd te worden. Ook hier is de reden voornamelijk dat de persoon in het energetisch proces van de cursus betrokken dient te zijn om deze te kunnen voltooien.

Bij overtreding van reglement omtrent drugsgebruik dient een student de cursus te verlaten, zonder dat er terugbetaling van cursusgeld plaatsvindt.

Overboeken van aanbetalingen naar een andere cursus:

Aanbetalingen kunnen enkel worden overgeboekt naar trainingen die door dezelfde docent worden gegeven.

Gedane aanbetalingen kunnen niet worden teruggevorderd; deze dienen te worden gebruikt als [deel van de] betaling voor een training.

Bij een aanvraag tot overboeking minstens een maand voor aanvang van de trainingen wordt de gehele aanbetaling overgeheveld.

Bij een aanvraag tot overboeking tussen vier en twee weken voor aanvang van de training wordt de helft van de aanbetaling overgeheveld.

Bij een aanvraag tot overboeking binnen twee weken voor de training geldt dat de aanbetaling niet overgeheveld of teruggevorderd kan worden.

Wanneer een aanbetaling meermalen wordt overgeboekt, is enkel de eerste keer vrij van administratiekosten. Tevens geldt dat de aanbetaling binnen vier jaar na de geannuleerde training gebruikt moet zijn.

Uitzonderingen, kinderen, tieners en herhalers:

Voor kinderen en tieners [<18 jr] geldt een korting van 30% op de trainingskosten. De korting geldt niet accommodatie- en verblijfskosten. Voor aanbetalingen geldt het bovenstaande.

Herhalers van trainingen ontvangen een korting van 25%, in het geval er plaats is in de training. De korting geldt niet accommodatie- en verblijfskosten. Er is geen korting voor herhalers voor de EarthShift Intensive, Embodiment, Deepening met Merlin of voor Fascia Unwinding. Voor aanbetalingen geldt het bovenstaande.

Betalingen per bank / met credit card

Wanneer via een banktransactie wordt betaald, of met een creditcard wordt betaald via PayPal, zijn eventuele extra kosten voor de deelnemer.

Beleid ten aanzien van annuleringen van trainingen en veranderingen van trainingsdata

Alle aanbetalingen en restsom-betalingen kunnen volledig worden teruggevorderd in de gevallen dat:

- een training meer dan drie maanden voor de geplande datum geannuleerd wordt of de geplande data worden gewijzigd.
- dat er een klein aantal aanmeldingen voor de training is, waardoor deze geannuleerd wordt.
- onvoorziene omstandigheden buiten de invloed van de docent ertoe leiden dat een training geannuleerd wordt.
- een noodgeval tijdens een training ertoe noodzaakt de training te stoppen.

De student is zelf verantwoordelijk voor gemaakte reis- en verblijfskosten en andere aanverwante kosten of of extra onvoorziene kosten welke kunnen voortvloeien uit de annulering van de training.

Als een docent vanwege een noodgeval de cursus blijkt te moeten verlaten, zal hij of zij trachten een vervangende docent te regelen. Mocht dit niet lukken, worden de betaalde cursusgelden terugbetaald. De student blijft verantwoordelijk voor overige gemaakte kosten.

* Deze betalingsvoorwaarden gelden, tenzij er andere specifieke en / of persoonlijke regelingen zijn overeengekomen.
